

We know how to treat you like a **V.I.P.**

Norm Cove has been involved in the hire car industry for more than 35 years and has owned and operated VIP Limousines since 1992. Specialising in secured transfers, his services have been used by many dignitaries, celebrities and sporting figures.

Large companies avail themselves of Norm Cove's services because of his impeccable reputation, professional manner and ability to undertake the co-ordination of large group transfers.

There is an enormous difference between a driver and a professional chauffeur. When you are paying the bill, why not have the best!

Based in the Northern suburbs of Melbourne, let **VIP Limousines & Chauffeured Hire Cars show you and your clients how it should be done!**
