30 Biggs Avenue
Beachmere QLD 4510

One of the few seaside villages left along the Queensland coast. Beachmere is a 40 min drive to Brisbane airport and 30 minutes from the Sunshine coast. It is a village with all amenities where you will be warmly welcomed.

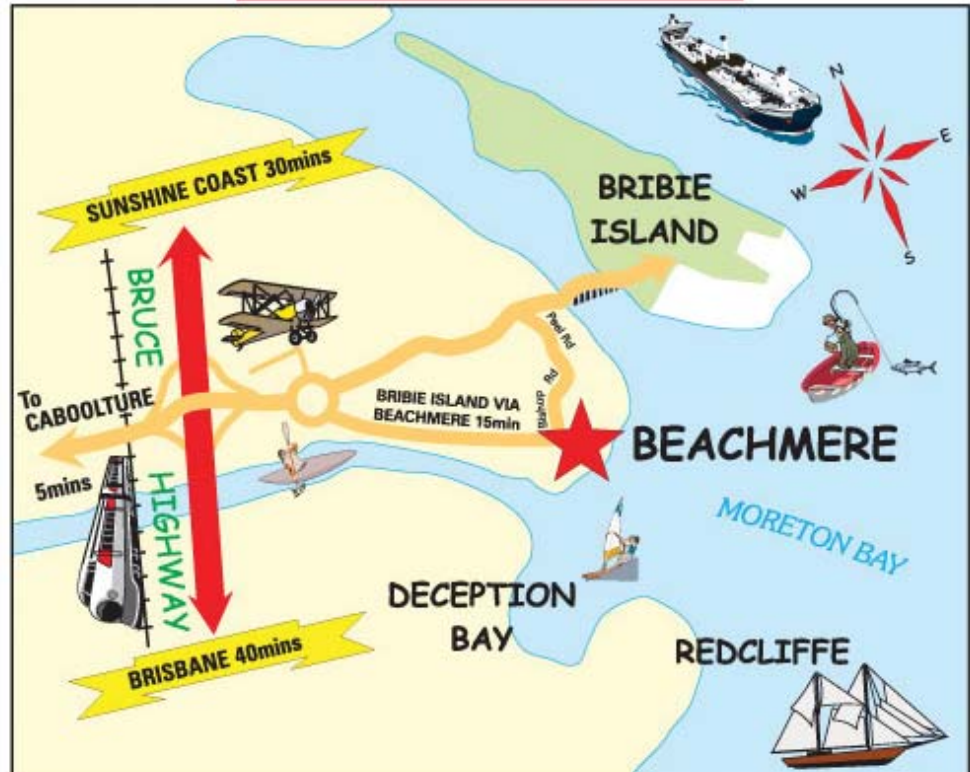

Settled in the early 1900 by 4 families, Beachmere has grown as a rural and seaside village with a population of 3500. Now it continues to develop as a seaside town with parks, picnic areas, boat ramps with access to Morton Bay, a new shopping precinct, a hospitable motel, sports grounds, bowl and social club, tavern, churches, public amenities, primary school, child care centre, caravan park and boat hire.

With the completed beautification programme, Beachmere is emerging as a sought after location.

Take the time to visit with us. Day trips to Noosa in the North, Gold Coast in the South, Brisbane, all the attractions and activities from Underwater World, Aussie Zoo, Dreamworld etc. Visit www.beachmeregetaway.com.au for more information. (See motel for details of vehicle hire and airport pick up)
